Good afternoon,

Ibrar and Muhammad are both included in this email. I understand that you two have had time to discuss the attached documents? Please discuss between yourselves as to the terms included in each document. i will not be getting involved between you two as far as the terms negotiated, etc. But if anyone needs me to review anything, I can do so and also explain the meaning of same.

Since we have represented both Ibrar (Paramount) and Muhammad in separate matters, but were asked to draft these documents by Paramount, we also need a conflict waiver to be executed by you both. I will circulate that under separate email via esign. Please be on the watch for that email.

Let me know if you have any questions.

Thank you.
